Wheel of Life
TOOLKIT

LEARN TO SEEK GOD IN EVERY AREA OF YOUR LIFE.

How to use THIS GUIDE

Choosing a word to describe your entire year can be tricky. While in some areas of our lives, it's been a fantastic year, in other parts, we may still need to work to reach our desired goal.

This tool guide will help you unify all areas of your life.

The Wheel of Life is a tool that offers a 360-degree view of your current situation. It identifies areas of imbalance and helps you create goals and set priorities based on your life vision.

In the end, you'll have a clear blueprint of your life and the areas you need to work on to get a clear plan.

Ready, set, go!

1. Review the 8 categories, and if necessary, rename category segments to add in something that is missing or make it more meaningful to you.
2. Draw a line across each segment. Scoring is between 1 (my word of the year DID NOT show up in this area) and 10 (I saw my word of the year show up in this area.)
